### **The Service**

Railmed shall provide a "For-Cause" / "Post-Incident" drugs and alcohol testing service within the UK, with the exception of Northern Ireland and the Highlands, by trained collection officers on standby 24 hours a day, 365 days a year.

Once **Railtech** has placed an emergency call out with Railmed, a fully trained collection officer (this maybe an employee of Matrix / Hampton Knight) will be activated to reach your site within 2 hours of the call - in all but the most remote locations where 4 hours should be allowed.
